

Tom 'Baz' Barrett

For

VP Activities!

Hello friends of RoeHo!

My names Baz and sadly, I'm in my final year studying Sport Psychology at this wonderful place we call Roehampton University.

I currently hold the position of Froebel College President but as the academic end is near I feel I want to give more back to you guys at Roehampton, which is why, yes, I'm running for Vice President Activities!

I felt the role of being Froebel's College President has given me certain attributes that I can push forward and use to greater affect as Vice President Activities such as being energetic, approachable, holding good time management skills and giving an all round positive attitude.

I feel the world needs extracurricular activities in order for it to keep spinning. I want to be that guy who gives you students of Roehampton every opportunity to get involved with as much as you can, whether this is bringing in a new society, more participation in sports teams or a day/weekend trip away to where YOU guys want to go!

I have always had a love for activities. I feel students can gain so much more in life by getting involved with something they feel passionate about. If you elect me as Vice President Activities I want to increase every possible chance of this happening!

If you elect me as Vice President Activities, I will endeavour to complete the following goals:

- 1** – I wish to promote, administer and support all clubs; societies and volunteering groups available at Roehampton University but in particular offer advice and financial support for the health and safety of all clubs, societies, sports teams and volunteering groups.
- 2** – I feel Roehampton University holds many successful and talented sports teams. I want to continue this strong relationship with Sport Roehampton and work with the many team managers and sports captains to improve sport Roehampton and potentially raise funds and make events such as the AU dinner and Tour bigger than ever!
- 3** – Developing the relationship with international students in conjunction with the international office, the international officer is something I hope to increase as I feel the international students are very important to the growth of activities at Roehampton University.
- 4** – 'Give it a Go' is a scheme aimed at giving you students and staff a chance to get involved in areas such as trips away, activities, volunteering and keeping fit. This is something I wish to push through the roof and provide as much opportunity for you guys to try new things, learn new skills and just generally have fun at RoeHo!

Most importantly...I will listen to you guys. Not pretend to, but actually take the time to find out what you guys truly want in order to make your University experience the best it can be.

That's me spent. Thanks for taking the time to read this. Remember...**Baz Barrett for VP Activities!**
Roehampton love, **Baz Barrett.**
