

Manifesto: Kat Lund

Hi I'm Kat and I'm running for the position of Academic Representation officer. I am a third year Classical civilisation student and also a floor rep in Bede, Digby Stuart. I'm running for Academic Representation Officer because I would like to change how the administrative system in the university interacts with us as students. I want to follow on from the work that the previous Academic Representation officer has put in place for us and these are a few of the things that I would like to do for us:

- Develop a role for an Internal Ombudsman who helps in a mediating position between related departments on behalf of us as students, so that if a problem occurs it can be resolved quickly and efficiently.
- Make students more aware of the University's regulations regarding academic protocols.
- Continue to represent us and to make sure our ideas, opinions and feelings are heard in all academic boards, meeting and conferences.
